Quick as a flash: my photo fuck

Posing for the camera and it always makes me dead horny. After a shoot I am ready to fuck, and this one was no different.

I have a fuck friend called Dominic who loves taking photos as much as I do. I let him take pictures of me for free. He has masses of albums stuffed full of pervy prints of me dressed in slutty, kinky costumes, or playing with myself and my huge array of well-used sex toys.

This particular Friday, he was round my flat doing a shoot with me. I was getting ruder and ruder, spreading my pink pussy lips for his lens and sliding a couple of fingers inside my cunt to the knuckle. Dominic was getting steadily closer until he could reach out himself and finger me.

By the time he had three fingers up me I was desperate to go the whole way. I had my legs spread and he was taking a close-up of my moistening pussy. He showed me the picture – beads of my cunt cream clung to my bare, puffy labia. Quick as a flash, I took the camera off him and pulled his head right into my cunt. He took it in his stride, grabbing hold of my buttocks and licking out my tender slit.

I wrapped my legs around him and enjoyed a good licking out. I closed my eyes and concentrated. His tongue darted like a snake's, in and out, flicking my clit then disappearing into my love hole. In and out, in and out... his tongue got harder and

Mind Fuck
Scarlett Revell

There's a new porn director in town – her name is Scarlett Revell. And apart from being fantastically fit herself, she's now auteuring the hottest and horniest talent in her debut feature, *Mind Fuck*. Skin Diamond stars as a psychotic sex bunny (we've all known a few of them) sent to a sex clinic with unorthodox ways of curing sex addiction. Yes, that's right, she gets fucked by naughty nurses and pervy patients in some kind of aversion therapy. Now if only you could get that sort of treatment on the NHS...

my pussy widened. His face pushed deeper into my slippery crevice. In and out, in and out... Pow! When I had cum, which didn't take that long, Dominic emerged smacking his lips, cunt juices smeared over his cheeks and chin. He quickly undressed and stood there with his stiff cock standing proud and waiting to be sucked. I kissed him so I could taste my pussy juices. Then I knelt down and started licking his balls.

After I had noshed his bollocks off, I licked up and down the length of his shaft. His fat purple helmet was crowned with a large, clear drop of pre-cum. I squeezed his shaft, doubling the size of the cum drop. Then I licked it off and plunged Dominic's cock deep inside my hot, wet mouth, making him moan with pleasure.

I sucked him off and wanked his shaft till I felt his cock straining to cum. Cum spurting down my throat is a real treat, but this time I was so horny I had to have a cuntful of cock. Dominic groaned as I pulled his cock out of my mouth and told him I needed fucking. He had been on the verge of cumming but he put his disappointment to one side. He said OK, but warned me he wouldn't last long.

So I made him lie on the bed so I could straddle him. I eased myself down onto his hard cock and started riding him. On top is one of my favourite positions because I can control the fuck and really get my rocks off. I bounced up and down on Dominic's meat and frigged my hard clit off.

I told Dominic to hang on because I was on the edge of a powerful orgasm. I rode him harder and came with a loud scream, just as Dominic finally pumped the warm contents of his ball bag deep in my cunt.

Always thinking of his photo albums, he clicked off some pics of my battered, spunky pussy.

Husband watches and yearns

My fantasy has always been to get a good seeing-to from another man while my fiancé Steve watches.

Steve got talking to some different guys and we decided on one called Kev.

We arranged for him to come over one weekend: I made sure I was clean-shaven and pampered myself getting ready. I decided to wear my black lace sexy thong and black lace top to match.

I was getting horny and Steve was getting really excited but nervous too.

At seven Kev arrived. He looked really nervous which I had to laugh about.

I was the one who was gonna get shagged by this guy who I hardly knew!

After a few minutes I headed for the stairs. "Are you both coming or shall I sort myself out?" I said.

The guys followed me upstairs. Kev looked at Steve and Steve gave him the nod (as if to say "Go for it mate").

> "He loves me to be on all fours while taking him in my wet mouth"

Kev ran his fingers slowly down my stockinged legs. Steve's face showed me he was enjoying every minute of it.

Kev started kissing my erect nipples. I was getting a sensation of burning desire in my pussy.

His fingers found my wetness and he thrust two fingers into my burning cunt.

I looked at Steve and saw he had a pleased look on his face, Kev's tongue found my swollen clit, making my body quiver with pleasure. His fingers worked in and out of my wet pussy while he sucked on my clit.

I was getting wetter and wetter, my orgasm building fiercely inside. He rolled me over on my stomach and started licking my arsehole. Oh boy, this sent me over the edge and I came, clamping my pussy muscles tight around his fingers, covering his hand in my love juices.

Steve was taking pictures of all the horny action. I got up off my stomach and told Kev to lie on the bed on his back. I started kissing and nibbling his neck, slowly working my wicked way down his hairy chest to his bulbous cock.

I teased his swollen balls with my tongue. Then I sucked his balls into my mouth. I worked my tongue up his rock-hard cock and licked the top, twirling my tongue around the quivering tip.

His cock started twitching in my mouth, so I sucked harder. He suddenly grabbed my head, holding me tight while he shot his load right into my throat.

I swallowed and sucked him until he had no more. He was smiling as I looked up at him.

By now my cunt was dripping and in need of a good fucking. Steve hadn't touched me – he

was enjoying seeing me enjoying myself.

Suddenly Kev seemed to have recovered. He pushed me onto my back, pushed my legs up and hooked my feet onto the headboard above my head.

He slipped a finger into my sopping wet cunt and smiled, he withdrew his finger, he rammed his again rock solid cock into my pussy filling me right up, he withdrew and then rammed himself into me again.

I thought I was going to explode, but he seemed to sense this and slowed down as to make sure I didn't come too soon.

My body tensed, my muscles clamped onto Kev's cock, the heat rising in my pussy. My orgasm was building fiercely as I gripped the headboard and ground myself onto his lovely hard cock.

He sensed my need for release and slammed into me harder. I gripped my pussy muscles tighter around his cock as I came hard.

Now it was Steve's turn. He loves me to be on all fours while taking him in my mouth as he says he would love to see me getting a good hard fucking while I sucked on his cock.

Well, Steve got his wish. Kev came up behind and slammed his cock deep into my wet cunt.

I orgasmed within minutes with a cock in my mouth and getting screwed doggy style. I was having the most amazing time with two horny guys fucking me.

I love anal sex, which I do with Steve often using my trusty vibrator in my cunt while Steve pumps my ass hard, which has given me so many mind-blowing orgasms and I wondered if I would get the same excitement ripping through my body with two real hard cocks.

Steve was eager to see me get spit-roasted too, so I asked Kev to lie down on the bed.

I climbed onto Kev's juicy cock and stuck my ass up for Steve. It was the most amazing feeling as Steve slid his cock up my ass.

They both rammed me hard and suddenly my orgasm ripped through my shaking body.

I felt them both shoot their wonderful hot juices inside my wet pussy and my arse.

Steve pulled out and I climbed off Kev. I took Kev's wilting cock in my mouth and sucked off my own juices. He grew within my mouth which made me smile so he grabbed my head and shoved my mouth onto his cock.

Steve came up behind and rammed his again-hard cock into my sopping wet pussy taking me completely by surprise, sending waves of pleasure running through my body.

I came straight away, all the while sucking on Kev's juicy cock until he shot his load once more right down my throat.

After a little rest to regain our strength, and then letting Kev go home (he had work the next day) Steve and I had the most amazing sex and fantastic orgasms, so when we finally fell asleep we were both fully spent.

We are now hoping to fulfil many more of our fantasies. Next I want a bi-female who I can tease and please.

So if you can help us out with this next fantasy or if you think any of you could handle us then let us know!

What does a blonde have in common with your computer?
You never know how much they mean to you until they go down on you.

A couple were celebrating their golden wedding anniversary. During their party, a fairy appeared and said, "As you've been both loving and loyal for the last 50 years, I will grant you one wish each."

The wife replied, "Thank you so much! As we've been on the breadline all our lives and have never been able to afford a holiday, I wish we could go on a world cruise!"

No sooner than the words were out of her mouth, the fairy waved her wand and '*poof*!', the tickets appeared in her hand.

The husband had been thinking about his answer long and hard and finally came to a decision. "Well, fairy, I wish that I was married to a beautiful woman 20 years younger than me." The fairy tutted, but waved her wand and '*poof*!', he was 90.

A bloke owned a small business and with the recession closing in, it was in financial difficulty and in danger of going bust. Being a religious man, he decided to go to church and pray about it. "Dear God, please help me! If I don't win the lottery this week, I'm going to lose my business!" He was disappointed that weekend when he didn't win.

A few days later, he got a final demand on his car payments, so went back to church. "Dear God, please help me! If I don't win the lottery, I'm going to lose my business and my car!" Again, when the lottery numbers came up that Saturday, he was disappointed that he didn't win.

A few days later, he received a final demand on his mortgage payments, so again, went to church to pray. "Dear God, I need to win the lottery or I'm going to lose everything – my business, my car and my house. Why won't you help me?" Suddenly, the church was filled with a glorious light and the man heard God's voice booming all around him, "Buy a fucking ticket, will you?!"

TRUE CON

MEL PUMPS IRON – AND MEN – DOWN THE GYM. THOSE FEES DON'T LOOK SO DEAR NOW!

I'm a fitness fanatic, and my gym is great as I've managed to find a nice routine after I finish work, way before most people get there. Sometimes I get almost the whole health suite to myself after working out, which is bliss.

You get a few guys in the steam room, however, who seem to think they're being discreet when they're blatantly looking at my tits and arse in the foggy atmosphere. I love it, though, which is why I'm always wearing a bikini with G-string bottoms to show off my tan. I soon discovered one guy in particular, who never left until I did.

We began to chat each time, and knowing that he was craving my body, I would always be shifting positions, lying on my front to show my pert arse or sitting cross-legged, sweat dripping over my cleavage. I knew he was dying to get a more lingering look at me, without the steam obscuring his view, as his conversations got more suggestive each time. He eventually caught me by surprise a few weeks ago.

The health suite was deserted when I arrived, apart from the same guy, Adam, who was lounging in the jacuzzi, smiling at me as I walked over to the steam room. He followed me in, sitting down right next to me rather than on the opposite or adjacent bench. "I'm really glad you're here," he said, "you're so gorgeous, I can't get over it." I felt flattered and turned on, and could hardly reply but managed to utter, "Thanks, err… thank you."

He was sitting so close to me that I could feel the sweat from his shoulder dripping onto me. I knew that he was staring right at me, and the instant I turned towards him he leaned in to kiss me.

Without thinking, I responded, our perspiring lips sloppily moving against each other. The door to the room was totally steamed up, as I glanced to check nobody was walking in. It would have been too late anyway, as I felt a slippery hand reach inside my bikini top and grasp at my breast. "These are the best fucking tits I've seen," he half-grunted in my ear. I felt my vagina tighten with excitement, as he started sucking at my nipples, pulling his head back to look at them and then sucking them again. They were rigid, and leaning back against the soaked corner of the room I kept one eye on the door as he devoured each one in turn.

He was now on top of me, and the heat was so strong that I could hardly breathe. I didn't want him to stop, though, and his hand was now at my G-string, pulling it out of my bum. His fingers were slipping down the cleavage of my arse as a river of sweat ran between my legs. I shifted my body slightly to the side, allowing his finger to slip around to my fleshy lips. I must have been incredibly wet inside as well as out, because two fingers were soon knuckle deep in me. With one eye still on the door, I reached inside his shorts for his dick, which was stiff and hot. My hand slipped up and down his shaft

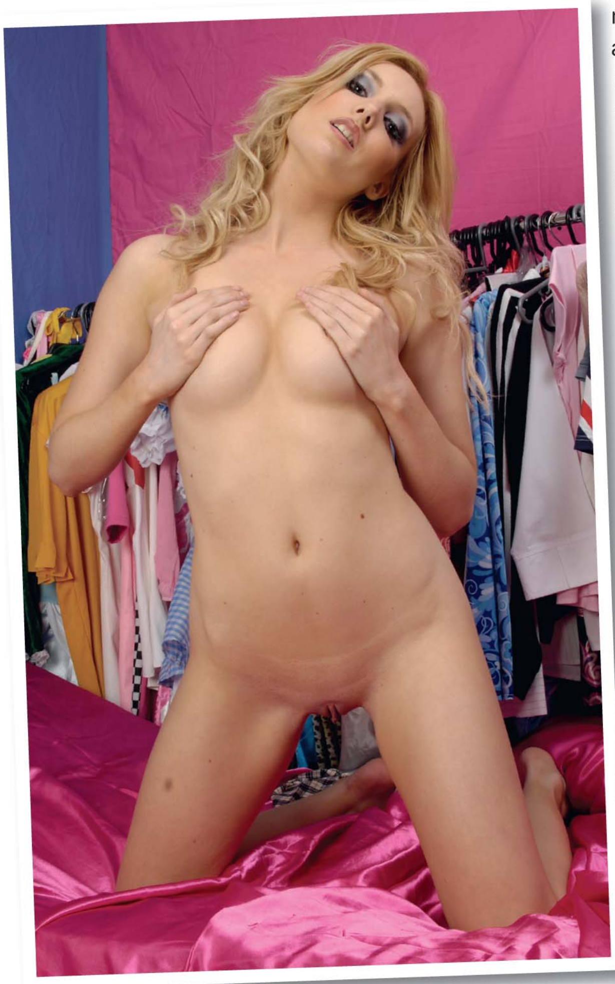
FESSIONS

"I GOT POLED FROM BEHIND LIKE A SLUT!"

effortlessly, despite my tight grip, and we snogged passionately, our faces pressed together hard to keep our burning lips locked.

My tits were now hanging out against the hard bench, as I lay on my side in my own pool of sweat getting poked from behind, like a total slut. My face was contorted, half from the heat and half from the fingering I was getting, and I pulled his cock slightly towards me. He took this as his cue to bring it near my face, which was covered with my hair sticking against my cheeks. Hooking my leg around his arm, I spread wide, allowing him to work my pussy hard, whilst I lay on my back waiting for his meat.

Taking his tip into my mouth, I breathed in through my nose, feeling my nostrils burn. I suddenly remembered that someone could walk in at any moment, but I loved the fact that he was strumming my clit so well, and I knew that he could make me come.



He obviously didn't care at all, as he then mounted the bench, over my head, dipping his prick back into my mouth and going down on me. There was now no turning back, and I was licking his scrotum and the base of his dick whilst beads of perspiration rolled down my face. With his tongue flashing against my clit and his hand filling my pussy, it was almost too much to take.

I knew I needed his prick inside me, and so crawled from underneath him, pushing his slippery torso back against the steam room wall.

Straddling him and sliding down his shaft was easy, and as I began to ride him I ran my hands roughly over my own breasts, forcing my own sweat to splash out over my nipples and onto his chest. He was desperately gripping my drenched bum, as my knees slid either side of him, taking his cock deep inside me.

As I eventually climaxed, he held my tight little biceps hard, pulling me on to him, causing me to orgasm heavily, my temples burning with the heat and pure pleasure. Without speaking, we both knew that we couldn't add his spunk to the dampness of the seating, so I slipped from his dick and took his pulsing length back in my mouth.

He filled it in seconds, and I had to wipe my lips with the back of my hand as it seeped from the corners of my mouth. I had no choice but to take it all down my throat, and I could make out his grinning face as I licked the final bit from my lips.

Suddenly the heat was so noticeable, and I realised I had just drank a virtual stranger's spunk behind only a steamed up glass door that was accessible to anyone! We giggled at our filthy, risky behaviour, as we breathed heavily in the dehydrating air and looked again at the door. It was a bit too late to start worrying now, though!

Here cums the bride! And even though the Warwickshire wife has got a ball and chain now, her ring is still up for grabs. "Being married doesn't mean you have to stop having fun. On my honeymoon I was bedhopping like a student. As long as my hubby was there to slip his cock in my mouth I was a free agent!"

Our real readers' letters sack!

All our letters are genuine, sent in by you, and you're welcome to send in pictures, too! We pay £25 per pic and £20 for every letter published.

I got my leg over at sleepover

Happily married for three years, my husband and I have a very 'normal' sex life.

However, what started out as a game led to a sexual awakening in me.

My daughter brought her boyfriend home about six years ago. Bill struck me as a pleasant lad, obviously out of bounds, so I never thought about him in that way.

One day at a barbecue though, he was bemoaning the fact that it was a hot afternoon and that he hadn't brought his shorts.

My daughter told him not to be silly and just strip down to his pants. "Mum won't mind."

I carried on tending the garden but as I did so, I noticed one of my nipples was showing through a gap in my blouse. It was then that I saw Bill had a huge bulge in his pants.

Bill turned crimson with embarrassment, but I got a real kick out of knowing I was turning him on.

Over the coming months, whenever Bill stayed over, I found myself deliberately giving him little flashes of my rude bits.

I would lean forward when offering him a coffee so that he could see straight down my top and once I bent over in front of him in my short nightie.

Often, in return, he would leave the bedroom door ajar and treat me to a quick flash of his penis when I walked past.

Both of us knew what we were doing, but both of us kept up the pretence, as this added to the excitement.

Things escalated when we put Bill up temporarily.

We gave him the sofa-bed in the lounge and I would always get up early to put the kettle on.

As I leaned over to put his coffee down next to him, my breasts flopped out and all at once, 'in his sleep' he threw back the duvet to expose a huge erection.

I looked at his beautifully long penis, with his foreskin pulled back and his heavy, hairy balls swollen and this was too much for me.

> "My massive breasts flopped out and he exposed a huge erection"

"His hips started bucking, then he stiffened and shot his wad in my mouth"

So I slipped my gown open and stroked my clitoris with three fingers.

I had to touch his cock, as I might never get another chance, so I reached out and grasped his shaft.

It was so fat that I couldn't get my fingers all the way around it.

I leaned forward and touched his purple head with the tip of my tongue.

Bill went on 'sleeping', so I drew the rest of his cock into my mouth and rubbed my tongue up and down his length.

His body stiffened and I could hear his breathing quicken, but Bill still didn't move.

I sucked on his cock and fingered my pussy as I squatted next to him, but I wanted to feel his fingers inside me, so I grabbed his hand and moved it between my legs.

He slipped three fingers straight up inside me and used his thumb on my clitoris.

I used my now-free hand to caress his balls as I wanked him into my mouth with the other. He sighed as my hand tugged faster and faster at his stiff little prick.

His hips started bucking and very soon he stiffened and shot his wad in my mouth.

Believe it or not, this was the first time I'd ever swallowed cum, but I didn't know where else he could shoot it, so I gulped it all down and came myself as it ran down my throat.

The moment I'd finished cumming, I rushed out of the room all embarrassed and neither of us mentioned it again.

Now I want to be dominated and seduced by another large-breasted lady and possibly her husband. I also want a big juicy cock to surrender to on a secluded beach, all with my husband's blessing. Drop me a line, do.

Annie, Lincs

rabbits in the hat

As the wedding season approaches (yawn) so do the hen and stag dos (yay). As a professional sex toy tester I am expected to produce great things whenever I attend hen dos and this year I'm loading up this little lot. Rabbits in the Hat is brimming with all things that vibrate and excite. You certainly get what you pay for – just look at the picture. Hey presto: you'll soon be having more orgasms than Debbie McGee does looking at Paul Daniels' bank balance.

It's basically the type of gift you give to get something in return and at half its usual price, it's got to be worth a shot.

If you think board games are just for when you are "board" shitless at Christmas then this pisses all over a game of Cluedo with your nan. Nookii is the grown up game for game couples. With horny hints, titillating tips and slutty suggestions, pick an Mm, Ooh or Aah card to tell you how to play with and pleasure your partner. Keep playing until, just like that game of Cluedo, you toss the cards aside and get down to business! The Daily Mirror voted it number one in their adult games review. They also said those soldiers pissed on that Iraqi bloke but we don't think lightning strikes twice.

str8cam lubricant

STR8cam lube is a (very wet) dream cum true – although a rethink on the packaging might be in order. The Wayne-Rooney-on-steroids-look-alike cartoon is a total turn-off. Non-sticky, condom-safe and wipeable, it works really well with sex toys as well as the real deal. Also it's tasteless, which is hard to find these days amongst all the fruit flavours – very guzzleable.

Alice & Frank

My name's Alice, I'm 25 and I work as a ticket inspector for one of the national train companies. I travel the length and breadth of the country day after day, and the most exciting thing that ever happens is that just occasionally I manage to get eye contact, and maybe a flirty smile, with a good-looking guy. Well, that was true until one day last month. It was a Sunday night and I was heading back to London. The train was absolutely packed, except for first class, which remained barely occupied.

Just past Bedford, I made another walk through the first class section of the train. Right at the very back of the carriage was a chap sat on his own. He wasn't bad looking and had been on the train since it left Nottingham. I made eye contact with him and when I got seat, I stopped and we chatted for a few minutes. He was working in London during the week and I had a few days off, so we agreed to meet for a drink and swapped numbers.

I carried on with my job, but couldn't keep my mind off him. I was feeling really horny about the idea of meeting him later that week and letting him fuck me senseless. The more I thought about him, the wetter I got. Eventually, I managed to get myself back down his end of the train. As I approached, we made eye contact again and he smiled at me. As I passed by his seat, I took a deep breath and whispered quietly, "Follow me, I've got something for you."

I walked out of the carriage and heard him get up to follow me. I punched the button on the toilet door and stepped inside. He followed me in and hit the 'lock' button, to secure the door behind us. I turned and kissed him squarely on the lips, letting my tongue probe his mouth. He undid my jacket and blouse, fondling my tits through my bra before unpopping the clasp and letting my 32C breasts fall free.

I sat down on the toilet led so my face was level with his belt and slowly unzipped his trousers. I slipped them and his boxer shorts down, around his ankles, and his six inches of magnificent manhood sprang erect in front of me. I took

it in my hand and gently rubbed his shaft, while kissing and licking his bell-end. I wrapped my lips around his helmet and sank slowly down onto him until I could feel him edging down my throat. As I rose back up his knob, I left a thick rim of bright red lipstick around the base of his member. I cupped his balls in my spare hand and squeezed them as I slowly sucked his throbbing beast of a cock. He moaned with pleasure every time I sank his meat down the back of my throat.

I could already taste his salty pre-cum, as it began to leak from his helmet and knew it wouldn't be long before he squirted his hot cream. His legs started to shake and his dick seemed to swell even more. Just as I readied myself to receive his load, he whipped his cock out of my grasp and slapped it between my ample boobs. I squeezed them together tightly around his length and he thrust several times, then grunted, moaned and shot a wad of hot jism all over my mouth and chin. Streams of cum exploded from his prick, splattered against my cheek and flew into my hair. As the final drop dribbled from his end, I leaned down over him and licked him clean. I did my best to clean up and make myself presentable, before getting dressed and returning to work.

As we got back to his seat I asked him if he fancied coming back to my place and he agreed. I continued my walkthrough the train and could feel my blouse sticking to the patches of cum, still drying on my tits. It was pretty uncomfortable, but I got off on how dirty I felt. I was soon off duty so we hopped off the train; both of us pawing each other because we couldn't wait for part two to begin!

My place is just a short tube ride from the station and we were back in my flat, naked in no time. We weren't saying much to each other, just anticipating the fuck-fest ahead. I lay on the sofa and offered him my sopping fanny. He parted my legs and nudged his member into my thick blonde mound. After teasing me

"I left a thick rim of bright red lipstick round the base of his member"

briefly, his knob slid in easily – no surprise there, as I was soaking wet! He drove his manhood into my cunt, thrusting into me as fast as he could. He'd tease me by withdrawing almost all the way and then leaving just the head of his cock between my pussy lips, making me beg for all of it, then he'd bury it up to the hilt again, the strength of the thrust making me gasp with pleasure. I frigged myself off frantically with my finger, as an orgasm swept through me, causing me to shriek with desire and whorish pleasure. As my body shuddered, I begged him to fuck me harder, which he did, pulling my hair and talking dirty to me, which made my climax more intense than any I'd felt before. He didn't let me catch my breath, either. Instead, he pulled my legs high up, resting them on his shoulder and continued to plug away. It was almost too much!

Lucky Fucker

Then, when I could bear it no more, he pulled his throbbing length from me and told me to suck his cock. I love a man who knows what he wants and isn't afraid to speak his mind, and I was eager to suck that juicy cock again, so I went along with it more than happily, descending beneath the pressure of his hand and kneeling obediently on the floor. Licking my lips, I swear I felt them grow fuller as I became more aroused. As I slid them around his knob, he stroked my hair back from my face and asked me to look up at him.

"Eye contact is very important," he said, smiling at me as he watched my cheeks hollow as I sucked him deep inside my mouth. I tilted my head back so I could take him deeper, relaxing my jaw so that he could push his cock in until it hit against the back of my throat. I was slobbering and gagging on his magnificent manhood as he shunted it back and forth.

Lucky Fucker

Eventually, he eased his prick out of my mouth and told me to lie on my front. I love a good shag doggy-style, so eagerly rolled over and awaited his prick. He surprised me by shoving two, then three fingers into my fanny, until they were coated with my juices, and then eased one, then two fingers into my arse. I flinched and clenched my muscles around his fingers.

I was still an anal virgin – would you believe I've never gone out with a guy who would do it – and was very nervous about his thick dick fitting inside my arsehole. Yet, I was also desperate to feel the sensation of being fucked

up the arse for the first time, by someone who clearly liked the feel of my tight bumhole. Slowly, I began to relax and I could feel my sphincter loosening up nicely. He edged his helmet against my bum crack and slowly nudged his way inside me. He took his time and went very gently, waiting for me to relax, then all of a sudden his helmet disappeared in past my sphincter and was soon followed by his whole length. I squealed with delight as he filled my bum completely with his cock, the feeling of which exceeded all of my expectations.

I was too full to move for a moment and so I just savoured the sensation of having my tightest hole filled. Once I felt ready, I bucked back against him, as he thrust slowly but steadily into me. His balls slapped rhythmically against my cheeks, as he pumped away, grunted as he did.

> **“I squealed with delight as he filled my tight bum completely with his cock”**

He popped his thumb back into my empty twat and used a spare finger to tickle my swollen clit, sending me wild. Another orgasm welled up inside me, making me cry out with a filthy pleasure I had never previously experienced. Before long, my groans and screeches mixed with his and I felt his shaft swell that bit more inside my arse, then, with one last thrust, he pumped what felt like a pint of jizz into my back passage. I collapsed into a sweaty heap on the sofa, with him lying next to me. I could feel his cum running down between by butt-cheeks. I grabbed his soft dick and licked the last drops of his salty cream from his cock head, tasting my own musky juices on him. I felt exhausted but after a short breather we fucked throughout the night – only stopping because he had to go to work unfortunately.

We kept our date later that week, and, unsurprisingly ended up back at my place again for a repeat performance.

We’ve been going out – and sleeping together – for nearly a month, now, and still see each other on the train. We can’t help but relive our first fuck every so often, and even though I’d get fired if we ever got caught, it’s worth the thrill!

AMANDA

We haven't pressed our noses so hard up against the glass at Christmas since Hamley's in 1988. And what delights we saw inside! Much the same as when we stole into 25-year-old Amanda's steamy bathroom this week. But it's a different kind of toy she wants to play with. "Get over here!" she grinned.

TRUE CON

TESS GETS A PHWOAR SCORE DRAW WHEN SHE PLAYS THE DATING GAME

I thought I'd write in and share my recent naughty confession with your readers – I hope you enjoy reading it as much as I enjoyed doing it!

I'd been playing the dating game for the last year or so without much success. Most dates insisted on taking me for a few drinks, or a meal, when I knew that all they really wanted was to get me out of there and back to their place. That was until I met Mark. From the moment we met, he treated me with total respect, insisting on not letting me pay for anything and it was clear that he was pretty loaded. He was well known in each of the restaurants he took me to and I was treated like a queen each time. After a few dates we hadn't even gone past a snog, let alone gone back to his.

On about our fifth date, we left yet another restaurant, and went around the corner to what looked just like the doorway to someone's house. A very welcoming bouncer soon opened the door, and Mark told me that it was his private member's club where he liked to come to drink late at night. Inside, the interior was beautifully decorated and candles dimly lighted the whole place. He seemed to know everyone in there and showed me off like he was incredibly proud. I was so excited, just soaking up the atmosphere, as I'd never been anywhere like that before.

Just when I thought it couldn't get better, we were shown through to a private room that he had booked within the club. There was champagne already on ice, and a circular leather sofa around a small candle-lit table. Within moments we were clinking together our two glasses and after all the wine with the meal, it went straight to my head. So grateful for my wonderful night, I began to kiss him passionately and my hands were wandering all over his body for the first time. Half-expecting him to be the gentleman and politely push me away, I paused to see his response. To my surprise he instantly began to run his hand along my thigh and under my short black dress. His other hand peeled the straps away from my shoulders until the material hung loose over my tits, my bra half-exposed. I glanced at the door, instinctively, to see if anyone was coming in, but he instantly reassured me, saying "No-one will disturb us in here, I pay enough for this room."

"Really?" I coyly questioned, before adding. "I'd better make sure you get your money's worth then." I slid from the sofa, my breasts just about spilling out of my dress, and began to unzip his flies slowly and seductively. I saw his chest heave up and down with anticipation, and as I pulled his dick free of his boxers, I heard him catch his breath. I know how to give a good blowjob, and spent minutes licking up and down his thick veiny shaft, flicking my tongue under his uncut foreskin and taking his (pleasantly) shaved balls in my mouth slowly, one at a time. When I finally sunk

my head over his prick, I felt it pulse and flex with pleasure against my tongue. He certainly wasn't playing the gentleman role now, his palms on the back of my head, pushing my face over his length.

> **"I HAD NEVER FELT SO HORNY AND DECADENT!"**

His dick pushing against the back of my throat, I could hear his heavy breathing and knew I could make him come right there and then. Sucking my cheeks in, I slowly lifted my head up and off his dick, slurping my tongue against the tip one last time, before leaving it throbbing with expectation. I stood up, my eyes fixed on Mark's at all time, and began to strip my dress from my body seductively. I could taste Mark's pre-come in my mouth, and as I shifted my panties down over my thighs, Mark reached down and grabbed his cock.

"Now, now," I said, "don't get too excited yet," and he instantly took his hand from himself. I could see my naked body in the mirror as I walked towards him and went to mount him. As I lowered myself onto him, I parted my soaking pussy lips with my splayed fingers and teased his swollen end a few times, just letting his foreskin and my cunt lightly connect. Unable to contain himself, he roughly grabbed my hips and shoved me down hard over his aching pole. I ground my arse against his balls as I began to fuck him slow and hard. My tits were in his mouth and he sucked at the nipples roughly as I began to speed up my rhythm. I grabbed the champagne bottle from the ice bucket and poured it over my chest, making him lick at my boobs even more frantically. I had never felt so horny and decadent, and I leaned back swigging from the bottle, watching my ample orbs bounce in the mirror as I rode his prick.

One hand holding the bottle to my lips, I began to frig my clit with the other, as Mark cradled my arse, driving his length upwards hard into my twat. His face flushed and I knew he was about to come, so I began working myself hard with two fingers. I was lost in my own world of pleasure and the instant I felt a jet of come inside me, my whole lower body filled with warmth and I let out an uncontrollable scream of pleasure. Mark kept on filling me up, and our juices mingled as I wrapped my arms around his neck, pulling in close to grind out the rest of my orgasm.

By the time we had finished, the leather sofas glistened with our come, and my clothes were strewn around the room. I gave Mark a guilty giggle and said, "We'd better clean up the mess." He just smiled and replied, "Oh, somebody will do that for us, don't worry." Now that really was something I'd never experienced before and I could definitely get used to it!

I've seen Mark a few more times since and, yes, we have got up to all kinds of indecent behaviour. He certainly has a kinky streak, which is coming out more and more – if you're lucky, I may well write in again and share another horny experience with your readers again…

Kay

"My flat is just the best place to have sex!" grins kinky Kay from Brighton. "I'm right on the front so I can hear the waves crashing as I welcome a big pole in my juicy pussy. I can run down and go skinny dipping and often spot lots of illicit lovers having it off by the pier. Sometimes I even invite them back!"

Dressing For Sex

Released by: Harmony Films
Starring: Shay Hendrix, Brooke Jameson, Jasmine Webb, Angelica Heart, Lou Charmelle, Angel L. Summers, Alexa Andreas

HARMONY
DRESSING FOR SEX
A Tanya Hyde Film
SHOT IN HD

BEST BITS: There's no shortage of rubber, bondage, facials or anal here, making it well worth a wank. The girls don't get totally naked, either, instead remaining partially clothed in their latex, continuing the kinky theme and making it a part of their fuck, unlike some other releases. The opening scene is a doozy – a filthy threesome with busty Brooke Jameson and Welsh rarebit Shay Hendrix (*left*), including some mean deep-throating and face-sitting – and one you'll want to re-watch again immediately!

WORST BITS: Despite being of the highest quality and relatively long, there are only four scenes, meaning the variety on this disc is quite limited.

DVD FEATURES: Includes an in-depth behind-the-scenes section, a cum-shot recap, numerous Harmony trailers and an extensive high-resolution photo gallery.

The Wicked Ones

Released by: Harmony Films
Starring: Michelle Moist, Shay Hendrix, Tanya Tate, Michelle Thorne, Jordan Kingsley, Ree Petra, Sofia Valentine, Jenny Baby, Emma Butt, Ebony Goddess

HARMONY
THE WICKED ONES
Tanya Hyde Film

BEST BITS: What, apart from the amazing cast, you mean? Ok, well, what about the six scenes of sizzling action then, including sexy Jenny Baby getting DP-ed in a medical chair, Eurobabes Ree Petra and Sofia Valentine copping a faceful of goo each and mucky MILF Tanya Tate wearing a cut-out PVC catsuit getting spit-roasted, whilst hanging around on a sex sling? Yes, really! And if all that's not enough for you, then the rubber is plentiful, the production is inspired and the bondage gear (including cages, sex swings, fuck machines, masks and harnesses) is impressive. This movie is a perfect example of how well Tanya Hyde captures the feel of the BDSM underworld, without alienating the mainstream. Bravo!

WORST BITS: The two guys in rubber clown masks in the fourth scene which gave us the creeps. Ugh.

DVD FEATURES: A behind-the-scenes feature (including interviews and on-set japes), and cumshot recap. Nice.

OOOAAR!

Aphrodiziac

Released by: Harmony Films
Starring: Aletta Ocean, Cindy Dollar, Claudia Rossi, Ree Petra, Simone Style

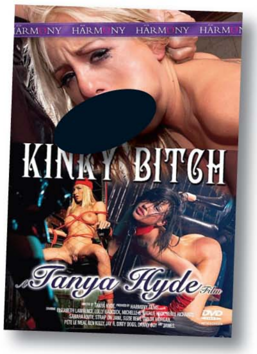
BEST BITS: Doll-like Aletta Ocean takes on two rubber-masked studs in the first scene, having them DP her before they both unleash on to her fit arse. The luscious Cindy Dollar handles Omar's big cock in her arse with aplomb. But Ree Petra easily outshines her co-stars, especially in the second scene which opens with the horny honey lying inside a rubber sheet – one that then has the air sucked out, encasing her curvaceous body entirely, except a hole for her mouth and nose. After she has the delectable Claudia Rossi sitting on her face to have her rug munched, Ree then appears in a medical chair wearing a gas mask. Needless to say she has a jolly good time and ends up covered in jizz, making this scene alone is a reason to give this DVD a go.

WORST BITS: No plot at all, and with a meagre four scenes stretched over two and a half hours, it becomes a teeny bit tedious.

DVD FEATURES: Very unkinky behind-the-scenes featurette.

3/5

Kinky Bitch



Released by: Harmony Films/Evil Empire
Starring: Michelle B, Lolly Badcock, Renee Richards, Elizabeth Michelle Lawrence

BEST BITS: Featuring some of the dirtiest British talent – past and present – in some of the filthiest scenarios, this is highly recommended for anyone who's into the fetish scene. The third scene finds gorgeous Renee Richards and busty Michelle B, both clad in latex, sucking and fucking some lucky bastard on a dentists' chair. Lolly Badcock shines in her fivesome (yes, we did say FIVEsome) with facials, fisting and watersports galore.

WORST BITS: As the usual opening credits are missing, unless you are familiar with the talent, you're left wondering just who they are.

DVD FEATURES: A few trailers,
